ASQ Certification Process: A Sharing Session

Friday, 7th December 2018

Introduction	<p>2018 marks the 50th anniversary of ASQ’s Certification Programs. Individuals awarded with ASQ certifications are widely recognized in the global marketplace as professionals with the knowledge and proficiency in, and comprehension of, a particular quality area. So far, nearly 250,000 certifications have been issued to dedicated professionals worldwide. Currently ASQ offers 17 certifications covering roles such as Manager of Quality / Organizational Excellence, Quality Auditor, Quality Engineer, Master Black Belt, Six Sigma Black Belt, Reliability Engineer, Software Engineer, Pharmaceutical GMP Professional, and HACCP Auditor.</p> <p>Why go for certification? How to be certified? What to expect at the CBT (Computer Based Testing) examination? How to be recertified online? What local support you can get in the certification process? You will get the answers to these and other related questions from the speakers who have first-hand experience of going through these processes.</p>
