HKSQ Quality of Life Series Ping Shan Heritage Trail Walking Tour Saturday, 01 April 2017

Introduction The first of its kind in Hong Kong, the Ping Shan Heritage Trail was inaugurated on 12 December 1993. Stretching about 1.6 km in length, the Trail meanders through Sheung Cheung Wai (上璋圍), Hang Tau Tsuen (坑頭村) and Hang Mei Tsuen (坑尾村). It links up a number of traditional Chinese buildings within easy walking distance of each other to provide visitors with an opportunity to learn more about traditional life in the New Territories in a convenient half day excursion.

The tour will go through all recommended spots.

It is hoped that members can forget their routine work and spend half a day to take a relaxed walk to learn / understand more about the history of Hong Kong.

Docent Mr. C.P. Chow
