

Congratulations to Prof. Kit Fai Pun (HKSQ Overseas Representative - The Americas) awarded the Hummingbird Gold Medal

The 53rd Trinidad and Tobago 2022 National Awards Ceremony was held at the National Academy for Performing Arts (NAPA) on the Republic Day, Saturday 24th September 2022. In accompany with The Honourable Keith Rowley, Prime Minister of the Republic of Trinidad and Tobago, Her Excellency Paula-Mae Weekes, O.R.T.T., President of the Republic of Trinidad and Tobago, conferred the awards on recipients at the ceremony.

The Hummingbird Medal is a state decoration of Trinidad and Tobago, instituted in 1969. The medal is awarded for loyal and devoted service beneficial to the state in any field. There are three grades to the medal: bronze, silver and gold. Recipients of the medal are entitled to designate their names with the post-nominal letters "HBM".

2022 - Professor Kit Fai PUN – Recipient of the Hummingbird Gold Medal

Professor of Industrial Engineering in the Spheres of Engineering Education and Research.

Professor Kit Fai Pun has been instrumental in the development of many undergraduate and postgraduate courses in the UWI (University of West Indies) Faculty of Engineering and has been recognised as the most downloaded researcher in the Department of Mechanical and Manufacturing Engineering. He has headed the Trinidad and Tobago chapter of several local, regional and international science and engineering organisations.
