HKSQ 2024 Quality Month Seminar: Background and Requirements of ISO 56001 Innovation Management System

19 Nov 2024 from 7:00pm to 8:00pm

Introduction	The innovation capability of an organization is considered to be a key factor in its survivability, competitiveness, resilience and renewal capabilities, as well as the sustainable development of society. The world's first certifiable standard for innovation management systems (IMS), ISO 56001, is published in September 2024. This standard was prepared by Technical Committee ISO/TC 279, Innovation management since 2020. Dr. Lotto Lai is the first observer of ISO/TC 279 in Hong Kong who was nominated by ITC in 2016. In the seminar, he will share the development history and evolution of ISO 56002 to ISO 56001. Moreover, some key elements of ISO 56001 IMS and comparison with ISO 9001:2015 will be discussed.
